Re: Aneuploidy Fish Screen Fee Decrease Notification effective June 1, 2008

Test Code	Test Name	Insurance Fee	Institution Fee
8410	Aneuploidy Fish Screen	\$600	\$500

Dear Client:

The Medical Genetics Laboratories (MGL) at Baylor College of Medicine would like to thank you for choosing us for your clinical diagnostic testing needs. We would like to take this opportunity to inform our valued clients of our **Aneuploidy Fish Screen fee decrease** effective **June 1, 2008**. You will see the revised fee reflected on the July 2008 invoices. You may contact our billing staff at 1-800-411-GENE (4363), or email [medgenbilling@bcm.edu](mailto:medgenbilling@bcm.edu) with specific Code and Fee inquiries. Our website has been updated to reflect this fee decrease change.

The Medical Genetics Laboratories (MGL) at Baylor College of Medicine are recognized as a leading provider of the most current technologically advanced diagnostic testing for the international and national medical genetics community. Due to our commitment to research and innovative technology, our testing menu is constantly expanding. For the most current list of tests, please visit our website at [www.bcmgeneticlabs.org](http://www.bcmgeneticlabs.org) or check out our listing at [www.genetests.org](http://www.genetests.org).

Thank you again for your business,

The Medical Genetics Laboratories  
Baylor College of Medicine
